ial Seeking Sponsor for Portable Toilet
(MWDM, March 8, 2018)

Lyon Township, MI – The MWDM is seeking a sponsor to allow us to place a portable toilet at the memorial from mid-April to mid-November. During the summer we get visitors daily that come out and show their respect for our K9 Heroes. The convenience would be greatly appreciated by many. Should an individual or a Corporation consider stepping up to assist us we will place a sign with your name indicating your donation.

We would suggest John's Sanitation of South Lyon as they are about a mile from the memorial. The suggested cost is \$98.00 a month times 7 months...\$686.00.
