The dates for the overnight closures are as follows:

- Thursday, June 27;
- Monday, July 1 and;
- Tuesday, July 2.

During the full closures, northbound traffic will use Big Beaver Road to Crooks Road, then westbound M-59 back to northbound I-75. Southbound drivers will use Corporate Drive/Crooks Road then 14 Mile Road back to southbound I-75.

This \$224 million project involves reconstructing more than 8 miles of pavement, improving 18 structures, upgrading drainage, constructing community-developed aesthetics and federally approved noise walls, and continuing construction of an additional travel lane between Coolidge Highway and 13 Mile

Road.

The entire I-75 modernization project involves rebuilding approximately 18 miles of pavement, replacing bridges, adding a high-occupancy vehicle (HOV) lane in each direction, and bringing the freeway up to current design standards from north of M-102 (Eight Mile Road) to South Boulevard.
