

Springfield Township Woman Fatally Shot, Boyfriend Confesses
(OCSO, Sept. 3, 2020)

On September 3rd, 2020 at 5:52 p.m., the Oakland County Operations Center received a 911 call from a caller who stated, "I just killed my girlfriend" and then hung up the phone.

Deputies responded to the scene and found a 50-year-old man standing in the driveway outside the residence. He told the responding Deputy, "I shot her. I killed her."

Deputies entered the residence and found a 60-year-old female lying on the floor with no sign of life. She is believed to be the suspect's live in girlfriend. She had sustained multiple gunshot wounds. An ER Doctor at McLaren Oakland Hospital in Pontiac pronounced her deceased.

A .380 semi-automatic handgun, which is believed to be the weapon used in the homicide, was found on a table in the basement. The suspect was lodged at the Oakland County Jail pending charges. He will probably be arraigned on late Friday or on Saturday.

Motive is unknown at this time.

The Sheriff's Special Investigations Unit will be continuing the investigation

NOTE: Police Reports come directly from the Police Department or agency involved and are written by the person or agency listed below the title. We generally run these "as is" or with minimal editing for punctuation, spelling, etc. Suspects should not be presumed guilty. Those needing more information about a case are encouraged to follow up with the reporting agency or court system for the most current information.
