Art-Themed Face Masks

Detroit, MI – Face the day in an art-inspired face mask from Detroit Institute of Arts. Available in a variety of colors and styles, these comfortable masks come with an interior pocket for inserting a filter and a nose wire for keeping your mask firmly in place and preventing eyewear from fogging.

Among the varieties are Detroit Industry North Wall, Abstract, Bouquet, and Sky Over Wheat Field, among others.

Designs range from the abstract to the painterly and come in a variety of color palettes to compliment your wardrobe.
